Lantern Harvest

2026

Evening program · Saturday, November 14, 2026

Welcome, neighbors

Thank you for spending the evening with us. Everything tonight was planned, baked, built and strung up by people who live right here, and every part of it is free.

Wander the market, make a lantern, cheer for a pie, then join us at 6:15 for the walk around the pond. When the lights come on, look around: that glow is all of us.

Good to know

- Battery lanterns only on the walk. Kits at the Craft Tent include one.
- Lost something? Ask at the Welcome Tent.
- Pie entries are due at the Pie Pavilion by 4:15.

Thank you, volunteers

Forty-two neighbors gave their afternoon to set up, sell, sing and clean up. If you see someone in a green badge, say thanks.
